

WHAT IS INHO?

About us

INHO stands for "Investir dans l'homme", which can be translated as "Invest in Humankind".

We are a nonprofit organization dedicated to serving children, youth, and young adults from less fortunate neighbourhoods and remote areas in Haiti. We are more than just a nonprofit- we are a school of life!

Our mission

- 1.To promote education as a pathway to development in Haiti.
- 2.To provide children with the essentials they need- food, access to medical & dental care, and a safe, nurturing, home-like environment.

These pillars create a strong foundation to give children the opportunity to learn, grow, and thrive.

THE NEED

Our children and youth need your help!

Founded in 2019, INHO provides food, education, & programs for children affected by poverty.

In 2024, due to Haiti's worsening crisis and gang violence, Beth-Tikva (House of Hope) was established, and a house is being rented for it.

Beth-Tikva provides shelter, access to medical/dental care, 3 meals/day, and clothing to its children. We also ensure they go to school.

There are 25 children living at Beth-Tikva and about 12 more come for the day to eat and play.

To continue providing for these children, we need sponsors. For each child, we are looking for a:

- **Food/Healthcare** Sponsor, &
- **Education** Sponsor
